The Board noted due notice of meeting subject to said Code Section.

## Pledge Allegiance

As part of the process of reviewing The Wayne County Employee Handbook. Engineer Davenport requested a work session to go through the Memorandum of Understanding (MOU) for the Secondary Roads Department. Chelsa Stoll with Iowa Negotiation & Consulting Services joined the work session by zoom. Several recommendations were made on combining several MOU items to county employee handbook while other items will be left separate in the MOU. The goal is to develop consistency throughout the county offices and departments for personnel. The MOU will be updated with the recommended changes and reviewed again by all parties before the final MOU is approved and adopted in a regular scheduled Board of Supervisor meeting. The effective date for the new MOU will be July 1, 2024.

There being no further business to discuss, Lange made a motion to adjourn the meeting, seconded by Wilson @ 2:55PM.

The next regular Board meeting will be held at the Wayne County Development Conference Room on Tuesday, May 28, 2024 @ 10AM.
