

## Wayne County Board of Supervisors

The regular scheduled meeting of the Wayne County Board of Supervisors was held on the 1<sup>st</sup> day of October 2024, at the Wayne County Courthouse in the Lower-Level Conference Room, Corydon, Iowa, pursuant to notice duly given in compliance with the Iowa Code Section 21.4. The Board noted due notice of meeting subject to said Code Section.

Present were Lance Lange, Chris Moore, and Todd Wilson, members of the Board. Also in attendance: Engineer Dillon Davenport, Dan Carpenter, Braxton Johnston, Kelly Anderson, Amanda Cooper, Savannah Sandy, and Michelle Dooley.

The Corydon Times Republican live streams the Board of Supervisors regular session meetings on their Facebook page.  
**Unless otherwise noted, all motions are approved unanimously by all Board members present.**

Lange called the meeting to order at 10:00AM and took roll call.

Pledge of Allegiance

Moore made a motion to approve the agenda, seconded by Wilson.

Moore made a motion to approve September 17, 2024, regular meeting minutes, seconded by Wilson.

Moore made a motion to approve September 19, 2024, work session minutes, seconded by Wilson.

Lange made a motion to approve September 27, 2024, payroll, seconded by Wilson.

Wilson made a motion to approve October 1, 2024, claim set, seconded by Moore.

There were no public comments on agenda items.

Engineer Dillon Davenport gave Engineer Office/Secondary Road Update.

- County crew should finish the full depth concrete patching in the next week. This project is very time-consuming but very beneficial.

-Engineer Davenport, Dan Carpenter & Jeff Boyce will be taking samples on S60 north of Seymour to determine the thickness of the highway to prepare for overlay project. The bid letting should occur after July 1, 2025, with completion in 2026.

-Culvert lining plans for Highway S40 south to the Missouri border and highway J44 west of Seymour have been submitted to the state for approval. The bid letting is scheduled for February 2025 with target completion in the summer of 2025.

-Engineer Davenport attended a conference recently and where they discussed the impact of super loads are extremely hard on the county highway infrastructure. Davenport asked farmers to be mindful of the wear and tear on our infrastructure and avoid pulling loaded grain wagons on the highways whenever possible.

-Two (2) new road maintainers have been ordered and are ready for pick up. The current county maintainers that are being traded in are a little low on hours, so they are waiting to process the exchange.

-Braxton Johnston also attended the Board meeting; he is a student from Wayne Community School District, and he is job shadowing with the Engineer's Office for the semester.

Lange made a motion to approve the FY25 Capital Asset addition for the Conservation Department, seconded by Moore for a Caterpillar BR117 Brush Mower attachment for the skid loader. The price was \$7,465 from Ziegler. The useful life is 10 years.

Moore made a motion to approve a letter to the Wayne County Farm Service Agency, seconded by Moore. This letter gives all supervisors the authority to review the plans for the county farm located in Benton Township as well as signature authority to the Supervisor Chairman for all required documents on behalf of the county.

### Department Monthly Reports

Lange made a motion to approve the Semi-Annual Report presented by Treasurer, Amanda Cooper, seconded by Wilson. The Treasurer's Ending balance as of June 30, 2022, was \$11,739,963.20 with a 12.07 discrepancy between calculated balance and actual balance. Cooper is working with Tyler Transitional Services to try to identify and correct a \$12.07 difference before publishing next week. The Semi-Annual Report will also be available on the county website; <https://waynecounty.iowa.gov/>.

Lange made a motion to approve the Public Health Nursing September Report, seconded by Moore. The deposits were \$45,165.78. Kelly Anderson, Wayne County Development Director reminded everyone that the First Thursday Coffee is this week and that there will be a Ribbon Cutting Ceremony and open house for the Kading Community at 2226 #2 Newton Road, Corydon on Monday, October 7<sup>th</sup> @ Noon. Six (6) of the units are currently rented.

**Supervisor Meeting Updates:**

Lange attended Wayne County Development and Wayne Community Foundation open house. He also attended SCICAP meeting; currently there is no water assistance program for county residents. They also discussed that they are facing challenges with the Headstart program and having enough participation because of so many options to choose from. Lange also attended the Wayne County Conservation meeting. The Conservation Board is searching for a new Naturalist. They received 5 applications and will begin interviewing soon. Conservation has extended the camping sites at Bobwhite Park. Director, Kenny Banks and staff are continuing to cut down trees and grind stumps in the parks. There are 2 vacant seats on the Conservation Board and three individuals have expressed interest in seating on the board. The Board of Supervisors will discuss it at the next meeting on October 15 and will name the two (2) new board members.

Wilson attended the DECAT meeting where they discussed service plans and budgets. He also attended a Milestone meeting. Public Health Nursing worked with the occupational therapist to offer the Milestone Home Hazard Removal Program (HARP). They worked with clients to access fall risk and make accommodations in the home to limit the fall risk. The Milestone organization is always asking how they can better serve our communities and as with most organizations, they are faced with a lack of funding. Wilson also attended a zoom meeting with other counties/peers, who are receiving the OPIOID Funds from a Nationwide Settlement. There will be another meeting in November and in the meantime, the local committee will meet to discuss options to use the funding to provide preventative services in the school districts as well as helping individuals recovering from addiction. Wilson also attended a 1015 Transit meeting. The topic of transportation for Veterans is still a top discussion.

Moore attended a New Venture Advisory Board meeting. Currently, New Venture is providing services for 3 residents with a 4<sup>th</sup> resident being evaluated after a long-time resident has been moved to a more suitable location. The kitchen cupboards have been updated and the flooring project has been moved to FY26 budget.

**Discussion:** Lange revisited the Conservation Board has 2 vacancies and the Board of Supervisors needs to name two (2) new board members at the next Board of Supervisor’s meeting.

**No Public Comments**

**Claims Paid October 1, 2024**
