

WAYNE COUNTY PLEDGE

In this pledge, we formalize Wayne County's support of the strategies outlined in Iowa's Five-Year Strategic Highway Safety Plan (SHSP) 2024-2028 and the overall vision of Zero Fatalities on Iowa's public roadways. In addition, we reaffirm Wayne County's goal of a dramatic decrease in roadway fatalities and serious injuries by the years 2030 and 2050, respectively, as detailed in the resolution adopted in 2022 by our Board of Supervisors for participation in the Iowa County Engineers Association (ICEA) Safe Streets for All (SS4A) Grant Application. As soon as is practical, Wayne County intends to implement the safety strategies outlined in this Safety Action Plan (SAP), which will assist road users with staying safe while driving, walking, or riding in Wayne County. Wayne County is dedicated to measuring its progress towards these goals and providing quantitative metrics as we continue to take the necessary steps to improve safety on the county's roadways in order to realize our eventual goal of zero roadway fatalities and serious injuries by 2050.
