### **Supervisor's meetings update:**

Lange attended the Wayne County Conservation Board meeting. Parks should be open April 1<sup>st</sup>. Conservation staff have burnt off part of the prairie grass but now there is a burn ban on for Wayne County so burning as seized until the ban is lifted.

Wilson attended the Safety Action Plan workshop coordinated by Engineer Davenport. Wilson will be attending a peer's meeting for OPIOID settlement as well as DECAT and Milestone meeting later in the week.

Moore attended the Public Health Board meeting. Public Health nursing is doing well collecting payments for services. The staff is working hard on cross training.

Moore also spoke about the Wayne, Ringgold and Decatur (WRD) County Landfill. Members are reviewing and approving documents for bonding. The Board is moving through the steps to build two new cells (5 & 6). Their schedule is as follows; April accept bids, May review bids and June award winning bid.

Moore also attended the Heart of Iowa Mental Health Region meeting and they are developing a transition plan for the state. The region has 16 employees, the state is requesting personnel to remain after June 30<sup>th</sup> without a guarantee of compensation because funding is projected to end on June 30<sup>th</sup>. Moore expects lot of services and expenses to fall back on the county to be liable for. Mendy Middlebrook is employed by the county and reimbursed by the region. Her position is not being eliminated locally but it may change in duties.

**Discussion:**

Joella Perry, Wayne County Veteran Service Officer, was present and wanted to make sure that the public is aware that her position is not being eliminated by the cuts made by the Federal or State Government. All funding for her position is funded by local funds except for training dollars that are reimbursed by the State Government. All counties are required by the Code Section to have a County Veteran Service Officer.

County Auditor Dooley also spoke about the recent mailing from the Auditor's Office. The main purpose of this mailing is to try to inform all Wayne County property owners of the 1<sup>st</sup> public budget hearing meeting for the County, School Districts and Cities and what the maximum proposed property tax levy is for each of the taxing authorities.

**Public Comments:** Don Seams asked if there is any progress made for wind turbine/solar farm ordinance. Moore stated that the Washington County Ordinance only pertained to wind turbines and was more restrictive than he had hoped for. Seams is going to review his documents to see if his samples included solar farms and forward it to the Board for further review.
